

Automotive Technician

Join our team and experience all that Robert A. Bothman Construction has to offer!

It's fun to work at a company where people take pride and truly believe in what they're doing. At Bothman, we're committed to bringing passion and superior customer focus to all of our innovative construction projects. Although we work hard, and we're serious about what we do - we care deeply about our employees and like to have a good time too.

In fact, our core principal is **Quality People and Quality Projects™**. Here's a glimpse of some of the coolest projects we've worked on: Avaya Stadium (Home to the San Jose Earthquakes), the Mountain Winery in Saratoga, San Jose State University Event Center, Cupertino City Center Park, the Haunted House at the Santa Cruz Beach Boardwalk and the Guadalupe River Park to name a few. If a career at Bothman Construction sounds interesting to you, please read on!

We are seeking an experienced shop mechanic who will be responsible for repairing various fleet vehicles and some heavy construction equipment.

Responsibilities:

General responsibilities include, but are not limited to:

- Keep vehicles/equipment available for use by testing and completing preventive maintenance such as: engine tune-ups, oil changes, tire rotation and changes, wheel balancing, replacing filters, etc.
- Perform preventative and routine maintenance on vehicles and some construction equipment.
- Troubleshoot malfunctions and determining repairs needed.
- Use diagnostic tools to test vehicle and some heavy construction equipment components.
- Perform quality inspections on vehicles/equipment.
- Complete maintenance and repair logs in a timely manner.
- Maintain cleanliness and safety of the shop.
- Help to keep shop equipment operating by following operating instructions, maintaining supplies, performing preventive maintenance, and calling for repairs.
- Other duties as assigned.

Qualifications:

- Graduate from standard vocational or high school with some experience at the journeyman level in the repair of fleet vehicles and some construction equipment.
- Equivalent combination of training and experience.
- Previous experience as a mechanic (Documented certifications).
- Knowledge of shop equipment with ability to work on several types and brands of equipment.
- Strong mechanical aptitude and troubleshooting skills.
- Deadline and detail-oriented.
- Ability to operate individually or within the constraints of a team environment.
- Ability to thrive in a fast-paced environment.

We offer excellent benefits including medical, dental, vision, 401K and competitive salary. E.O.E.

About Bothman Construction

Robert A. Bothman provides equal employment opportunities (EEO) to all employees and applicants for employment without regard to race, color, religion, sex, national origin, age, disability or genetics. In addition to federal law requirements, Robert A. Bothman complies with applicable state and local laws governing nondiscrimination in employment in every location in which the company has facilities. This policy applies to all terms and conditions of employment, including recruiting, hiring, placement, promotion, termination, layoff, recall, transfer, leaves of absence, compensation and training. We strongly encourage women, minorities, individuals with disabilities and veterans to apply to all of our job openings.

Robert A. Bothman Construction is a full-service, family-owned construction and general engineering company with offices in California and Hawaii. Founded in 1978, we are a recognized industry leader offering a full complement of pre- construction and construction services for public, commercial, industrial and privately owned projects. Our expertise covers a wide range of construction and general engineering specialties including: Sports & Recreational Facilities, Educational Facilities, Site Development & Heavy Engineering, Structural & Architectural Concrete, Solar & Renewable Energy, Stormwater Management and RABcrete™ Pervious Concrete. We believe in providing exceptional value and service to all of our clients and believe that dedication and hard work is the key to unlocking our continued growth and success.

Our headquarters are located in Santa Clara, California.
