

Transport Driver

Join our team and experience all that Robert A. Bothman Construction has to offer!

It's fun to work at a company where people take pride and truly believe in what they're doing. At Bothman, we're committed to bringing passion and superior customer focus to all of our innovative construction projects. Although we work hard, and we're serious about what we do - we care deeply about our employees and like to have a good time too.

In fact, our core principal is **Quality People and Quality Projects**™. Here's a glimpse of some of the coolest projects we've worked on: Avaya Stadium (Home to the San Jose Earthquakes), the Mountain Winery in Saratoga, San Jose State University Event Center, Cupertino City Center Park, the Haunted House at the Santa Cruz Beach Boardwalk and the Guadalupe River Park to name a few. If a career at Bothman Construction sounds interesting to you, please read on!

We are seeking an experienced shop mechanic who will be responsible for repairing various fleet vehicles and some heavy construction equipment.

Responsibilities:

Typical responsibilities, but not limited to the following, are:

- Communicate daily with Superintendent or check job board regarding job location.
- Initial or maintain weekly time sheet daily.
- Monitor and report general condition of vehicles daily. Check all general systems for proper operation prior to day's activities and note on Truck Inspection Daily Report.
- Operate company vehicles safely. Comply full with all company and Department of Transportation safety policies and procedures including and adhering to any and all drug and alcohol testing protocol.
- Represent the company in a professional and courteous manner while operating vehicles on public highways.
- Assist in maintenance efforts for all company vehicles when used. Help keep vehicles clean and encourage co-workers to do the same.
- Complete traffic accident report for all accidents in company vehicles and assist Project Foreman with preparation of traffic accident reports for vehicles on designated job sites.
- Help prevent abuse or misuse of vehicles, equipment, or tools.
- Perform various misc. construction duties including:
 1. Assist in job cleanup.
 2. Assist in flagging traffic as necessary.
 3. Assist in rough and finish grade operations as necessary.
 4. Assist in job site dust control (water truck operation) as necessary.
 5. Assist in placing and spreading bulk materials as necessary.
- Wear proper safety equipment as outlined in company safety procedures.
- Attend daily expectation, weekly tailgate, and company meetings.

Qualifications:

QUALIFICATIONS PREFERRED:

- Minimum ten years construction experience.
- Minimum five years transport experience.
- Active and current Class A drivers license with endorsements for air brakes, double and triple trailers, and tankers.
- Current DMV medical card.
- Knowledge and experience in the construction industry.
- Strong communication skills.

About Bothman Construction

Robert A. Bothman provides equal employment opportunities (EEO) to all employees and applicants for employment without regard to race, color, religion, sex, national origin, age, disability or genetics. In addition to federal law requirements, Robert A. Bothman complies with applicable state and local laws governing nondiscrimination in employment in every location in which the company has facilities. This policy applies to all terms and conditions of employment, including recruiting, hiring, placement, promotion, termination, layoff, recall, transfer, leaves of absence, compensation and training. We strongly encourage women, minorities, individuals with disabilities and veterans to apply to all of our job openings.

Robert A. Bothman Construction is a full-service, family-owned construction and general engineering company with offices in California and Hawaii. Founded in 1978, we are a recognized industry leader offering a full complement of pre- construction and construction services for public, commercial, industrial and privately owned projects. Our expertise covers a wide range of construction and general engineering specialties including: Sports & Recreational Facilities, Educational Facilities, Site Development & Heavy Engineering, Structural & Architectural Concrete, Solar & Renewable Energy, Stormwater Management and RABcrete™ Pervious Concrete. We believe in providing exceptional value and service to all of our clients and believe that dedication and hard work is the key to unlocking our continued growth and success.

Our headquarters are located in Santa Clara, California.
